REPORTS: Schumpert said information was distributed on automatic alarms. Ihler distributed the Wolf Creek Storm Drainage Analysis which will be on the February 27, agenda. Branscum said the railroad crossing on 6th Street has space between the tracks and is not a good surface. Shanklin will contact ODOT as they have not yet accepted the project. Shanklin thanked staff for reconstruction of 6th Street from Ferris to Gore. Alford said rip rap is needed in the 38th Street area where drainage work was done and water will now hit a dirt embankment and erode. He suggested old tires be used if possible to prevent the erosion.
